Dec 99

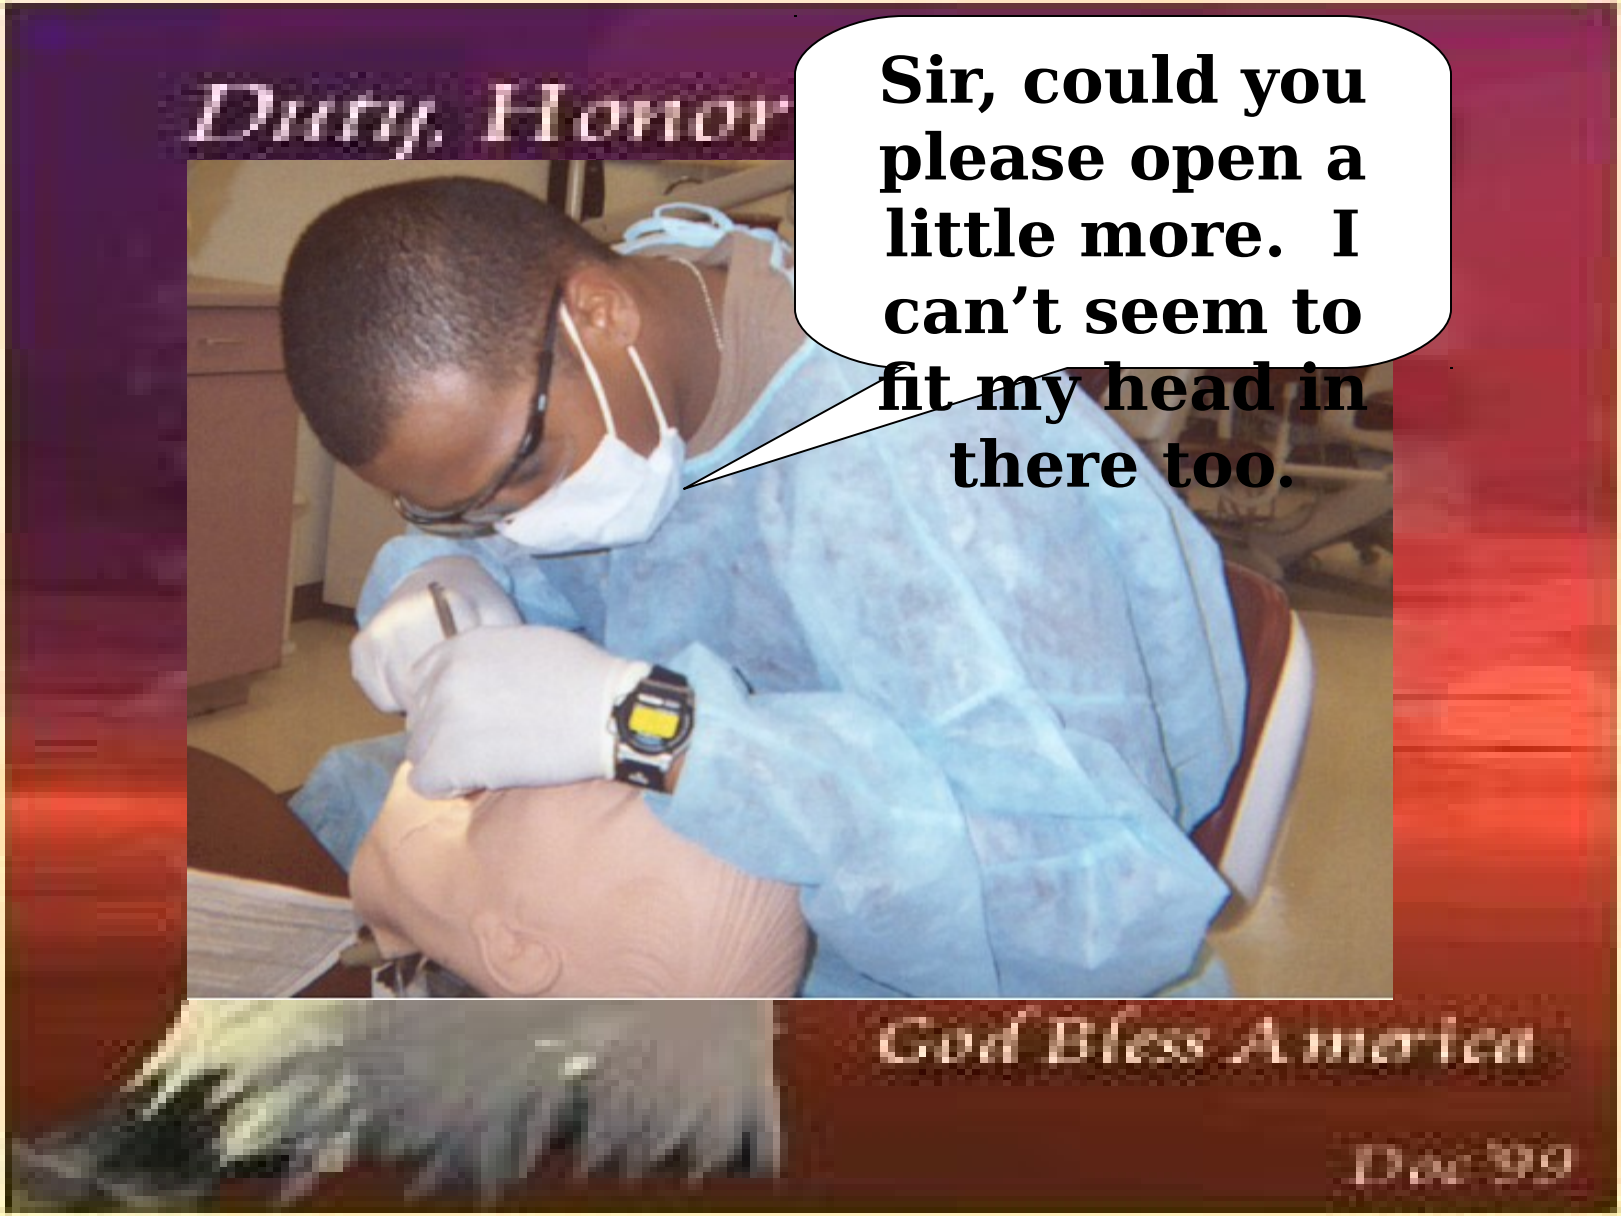
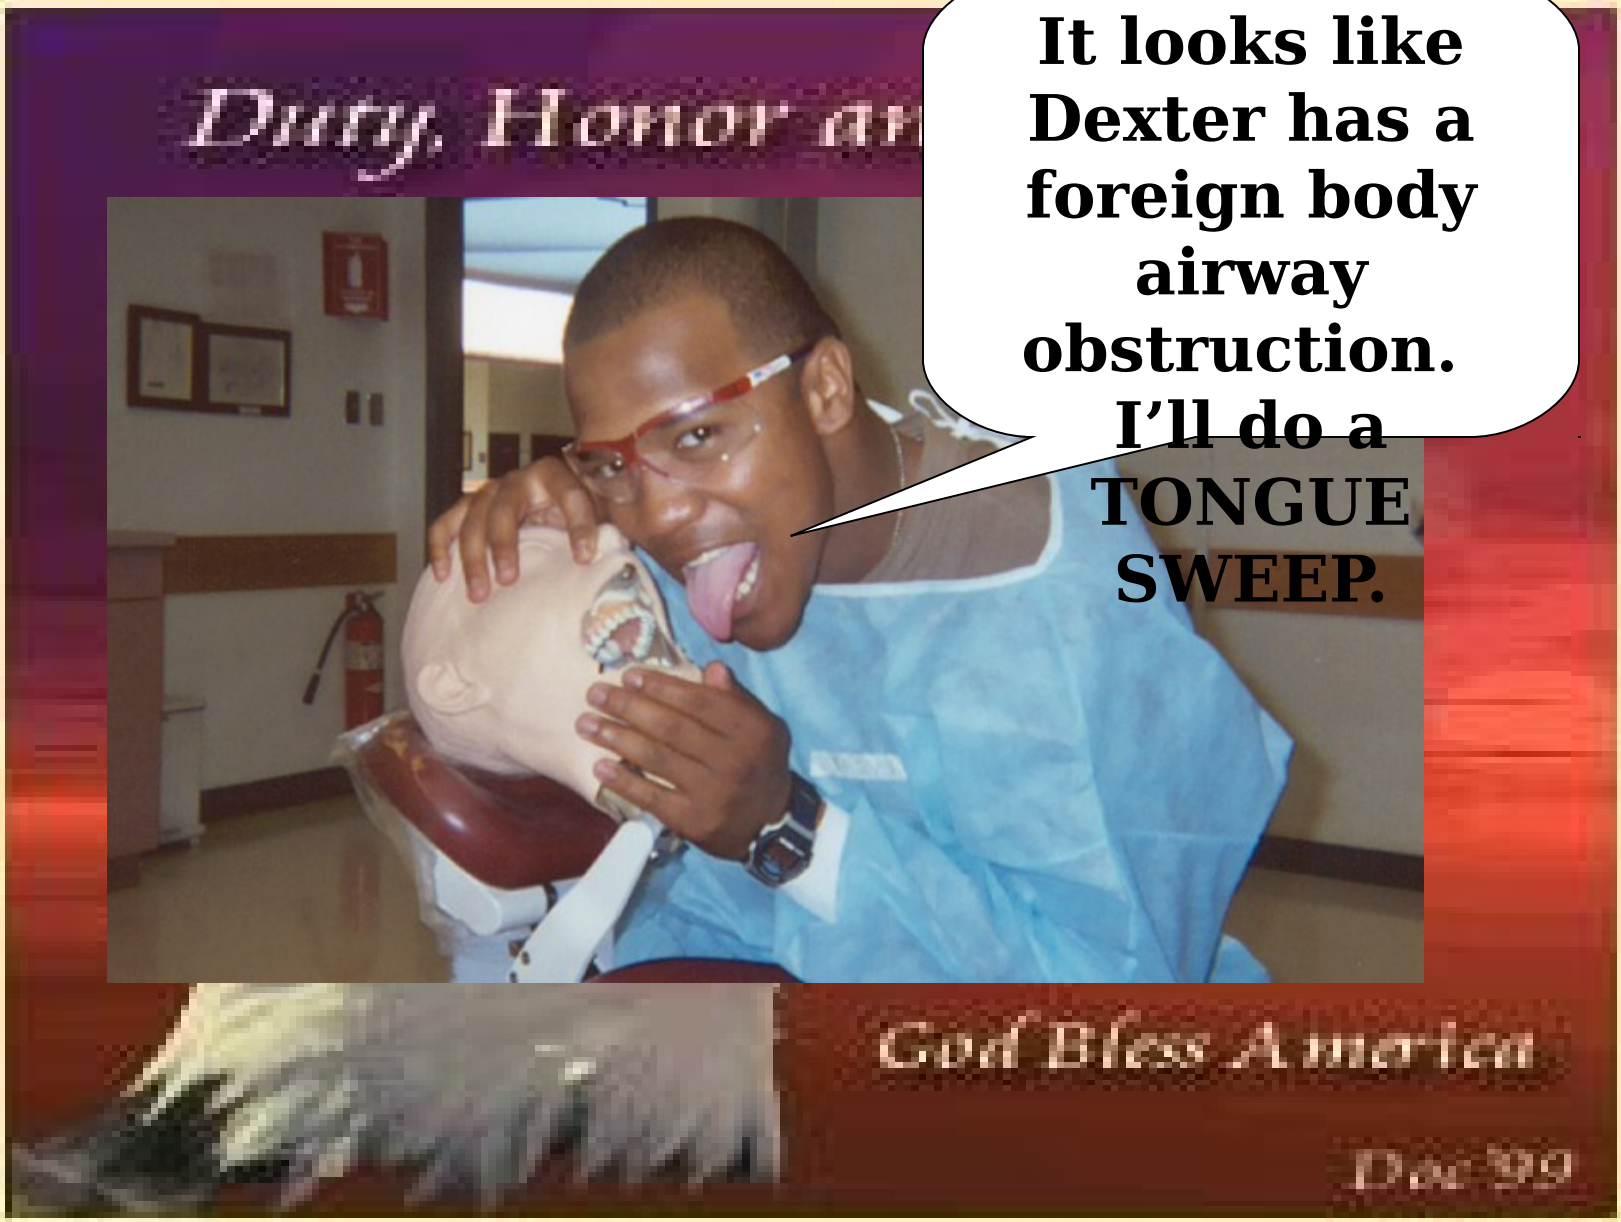
Why doesn't Dexter close his mouth when I tell him.
Duty, Honor
God Bless America
Dec 99



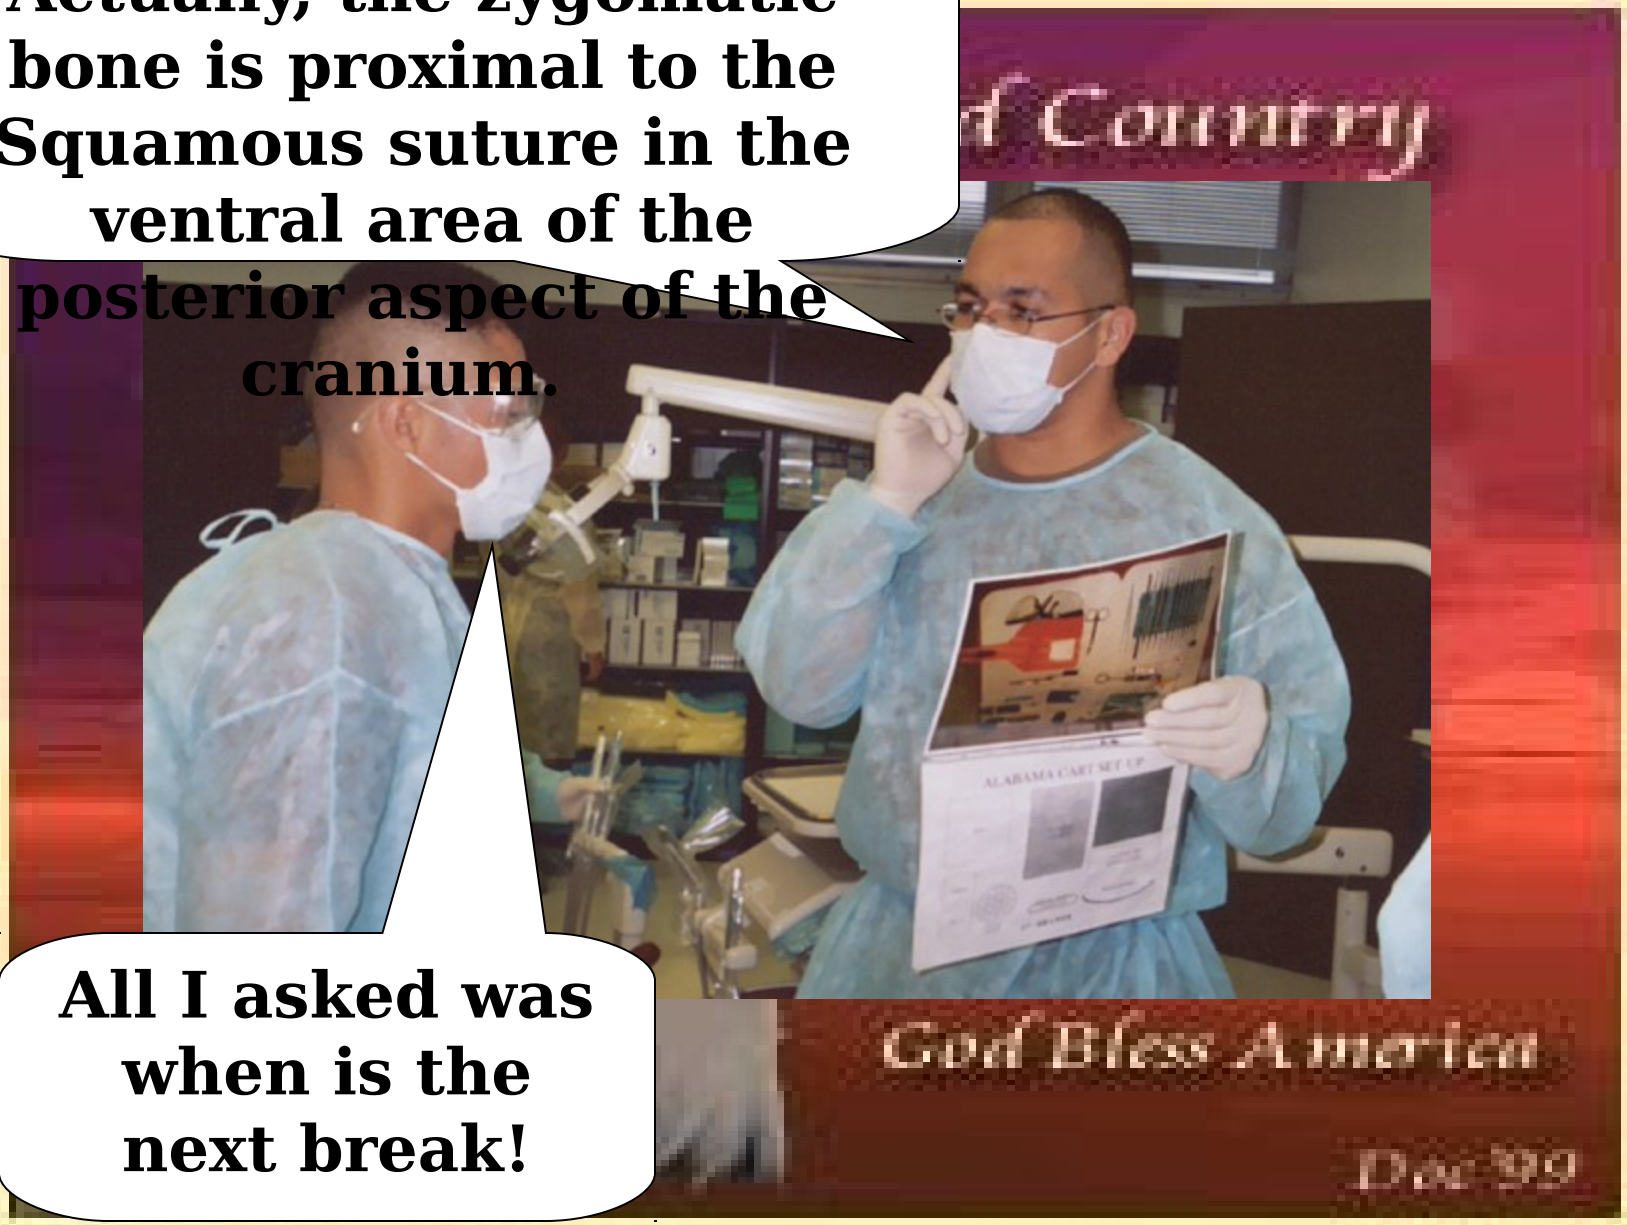
Duty, Honor
Sir, could you please open a little more. I can't seem to fit my head in there too.
God Bless America
Dec 99

You sure have beautiful eyes Dexter!

Duty, Honor
I didn't realize that PVT Coscia was so short!
God Bless America
Dec 99



Duty, Honor
It looks like Dexter has a foreign body airway obstruction. I'll do a TONGUE SWEEP.
God Bless America
Dec 99



Actually, the zygomatic bone is proximal to the Squamous suture in the ventral area of the posterior aspect of the cranium.
All I asked was when is the next break!

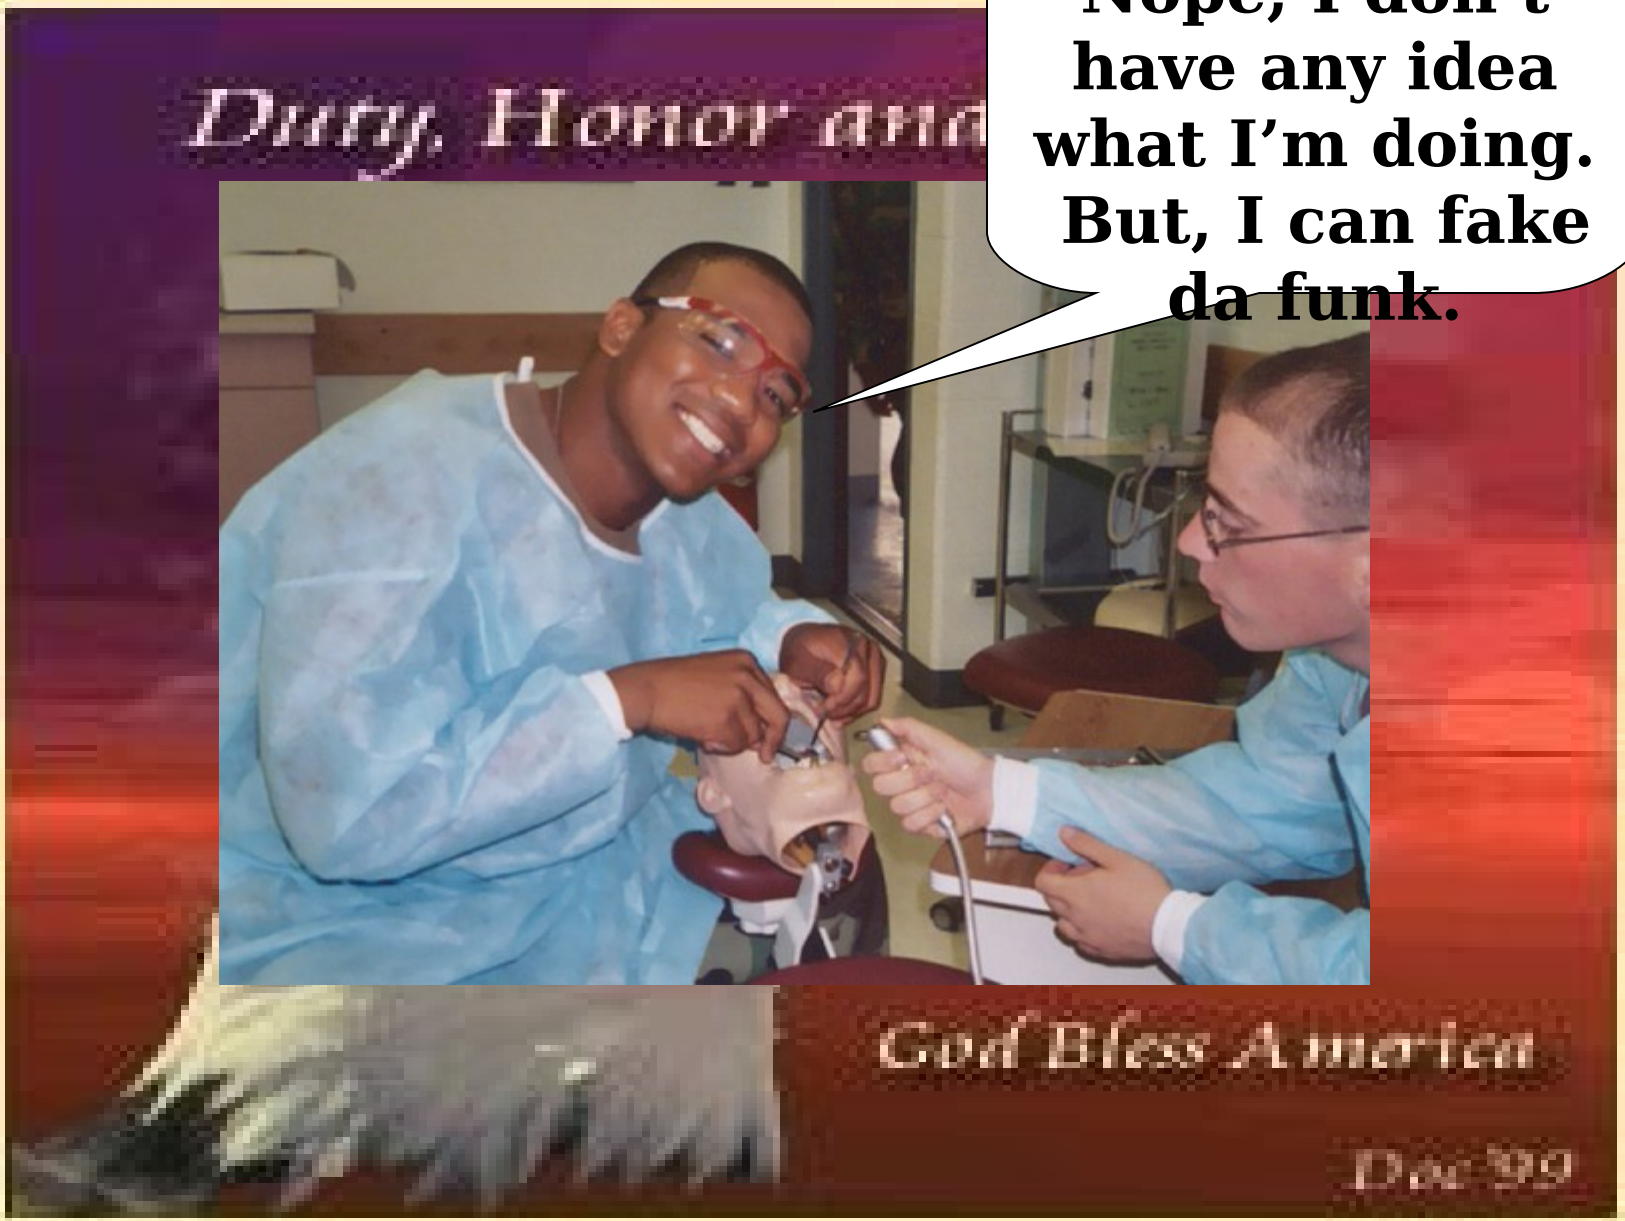
HA HA HA
It's all fun and game until you have to listen to one of my 2 hour M&M's



Duty, Honor and
Nope, I don't have any idea what I'm doing. But, I can fake da funk.
God Bless America
Dec 99

This is what happens when you have to listen to SSG Lopez and SSG Mascarenas all day.

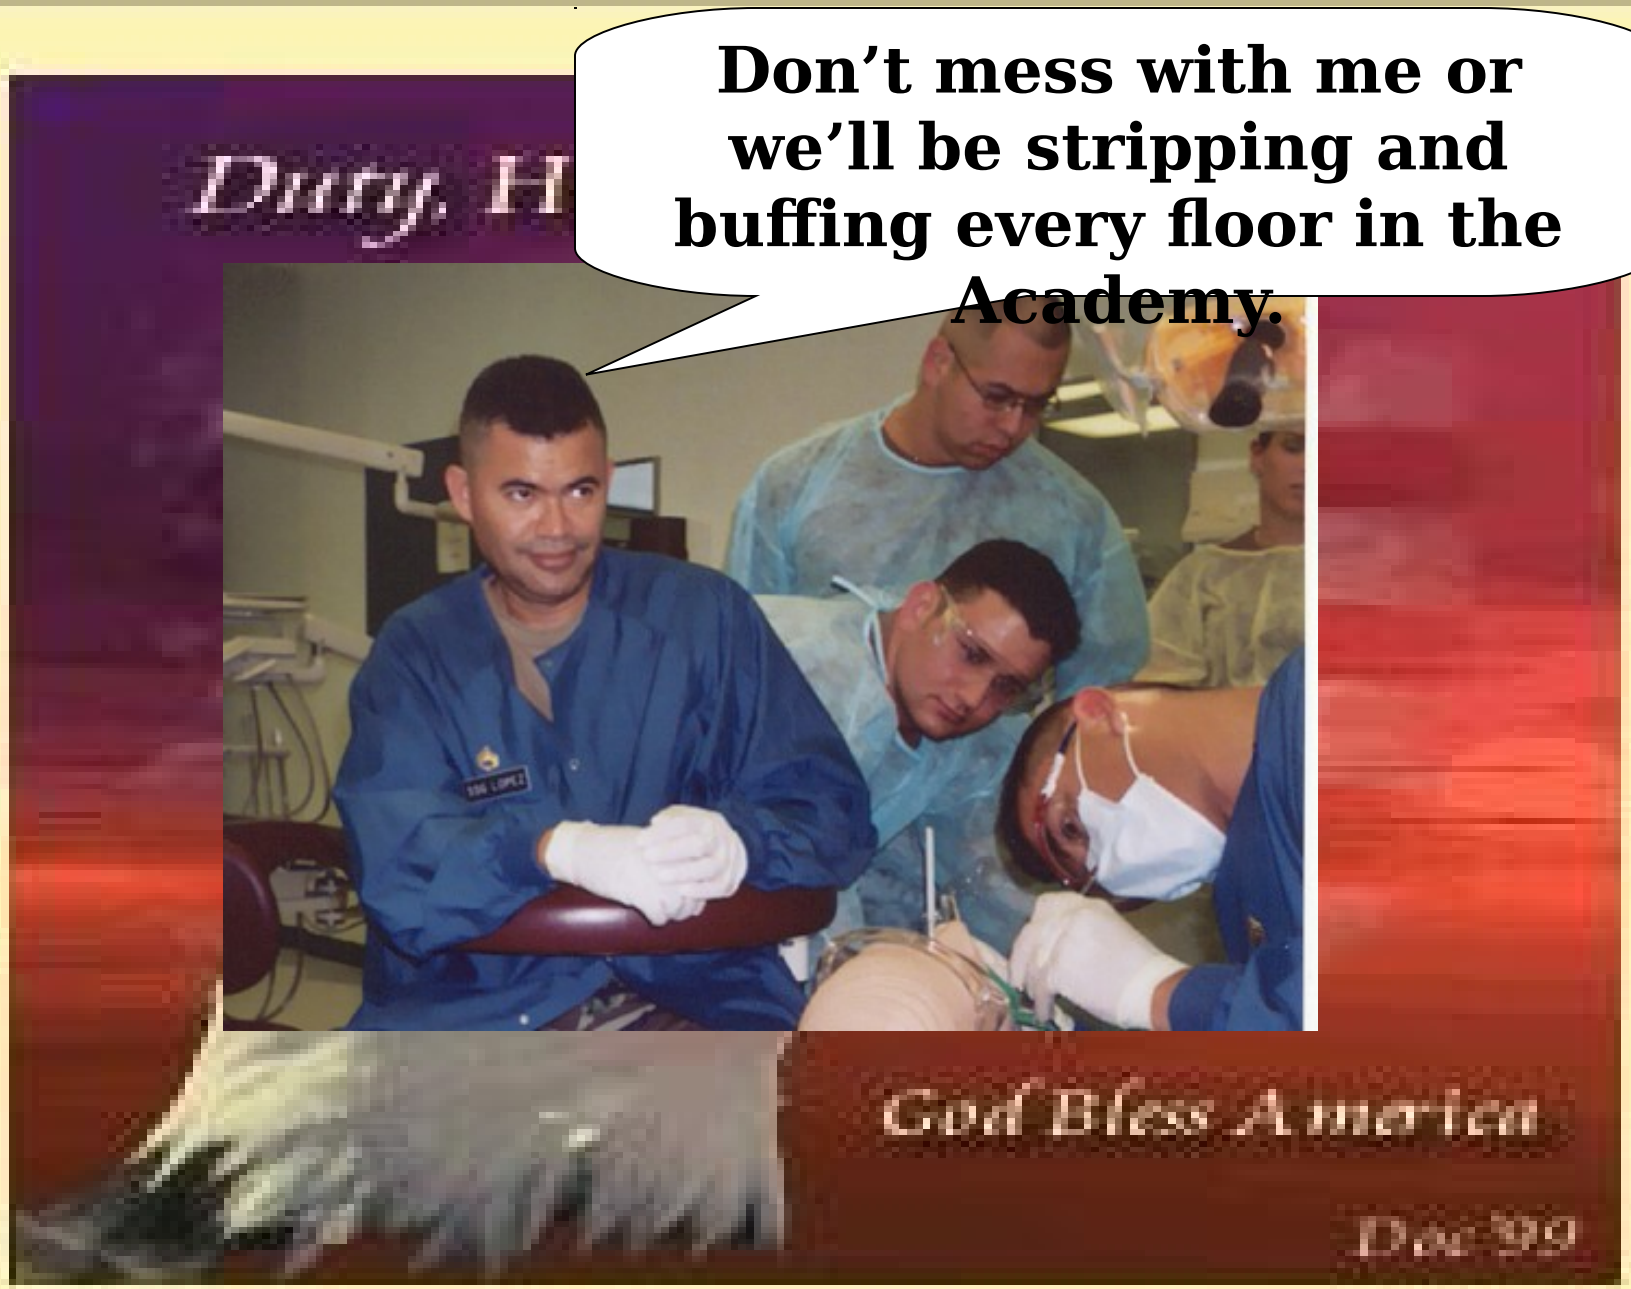
Dec 99

Are you sure you want to enter through the medulla oblongata? I would recommend bypassing it near the hypoglossal canal!
Yeah, right.
Honor and
Dec 99



Don’t mess with me or we’ll be stripping and buffing every floor in the Academy.

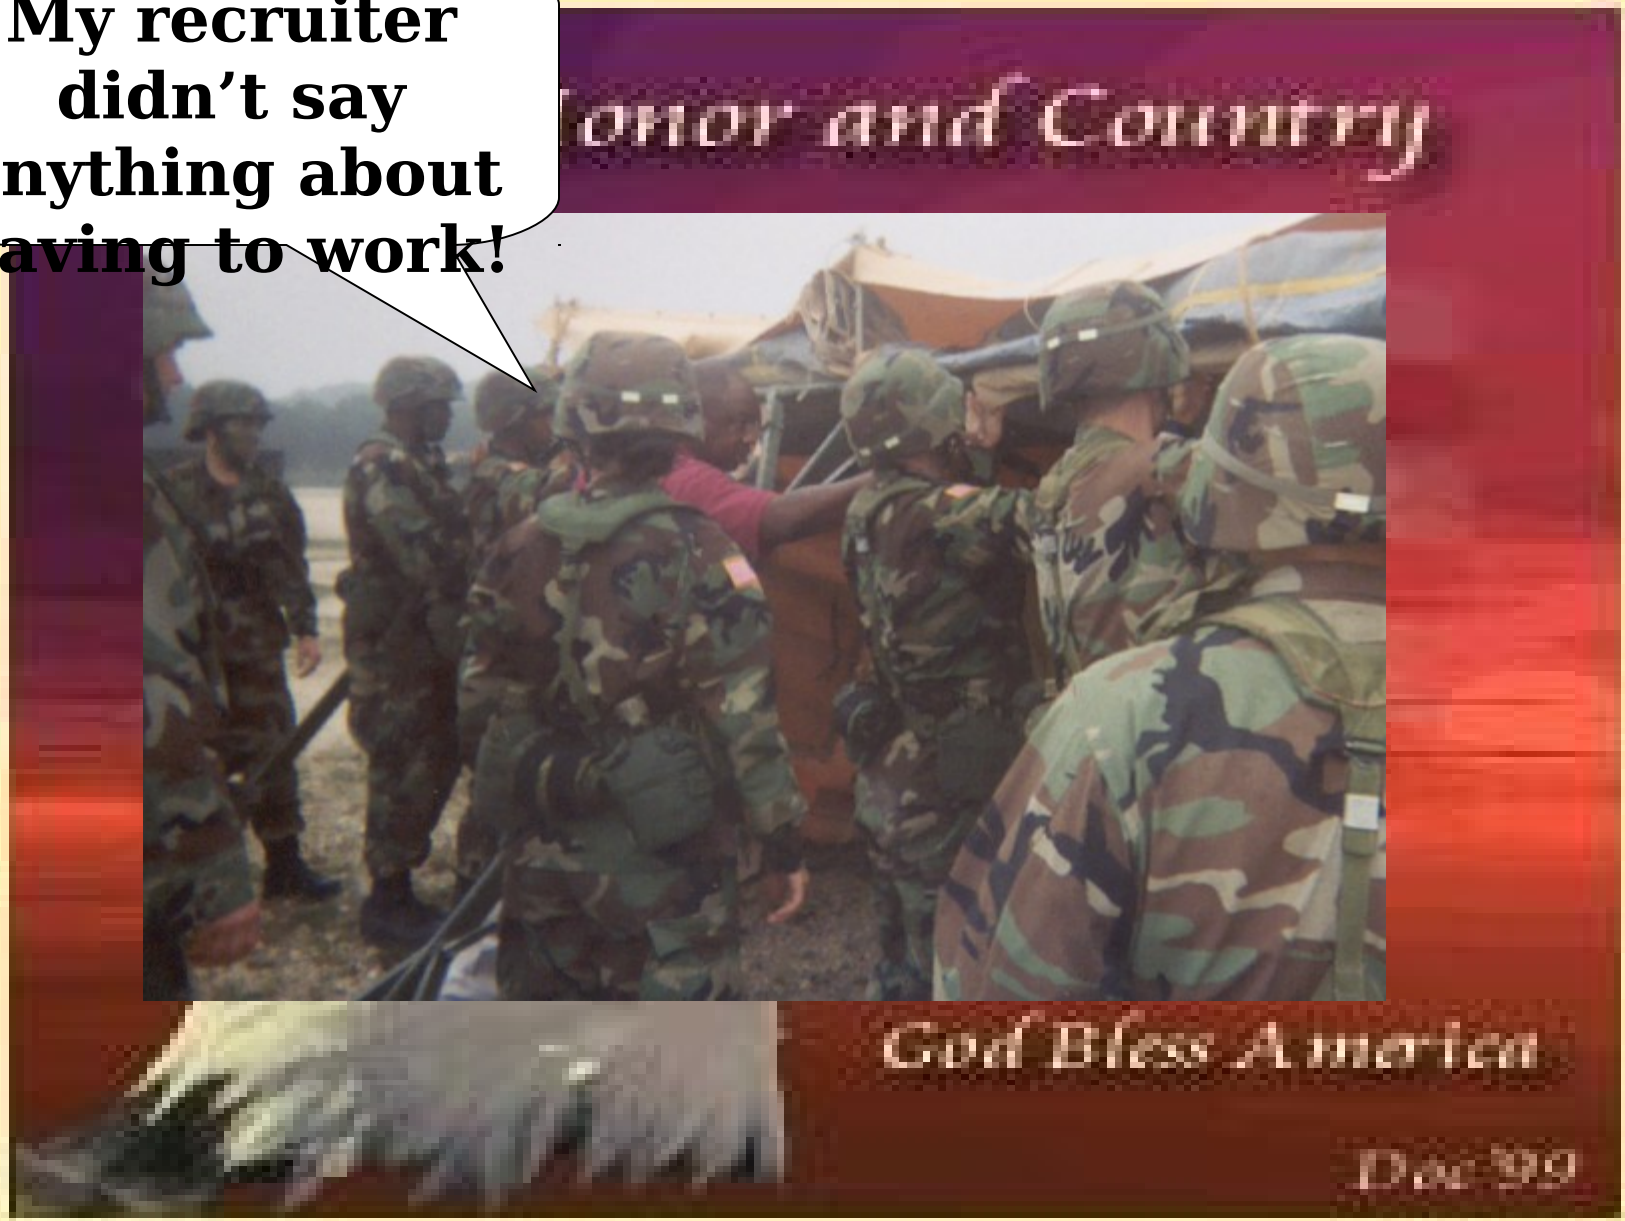
My recruiter didn't say anything about having to work!



No it doesn't set itself up. We have to do it.

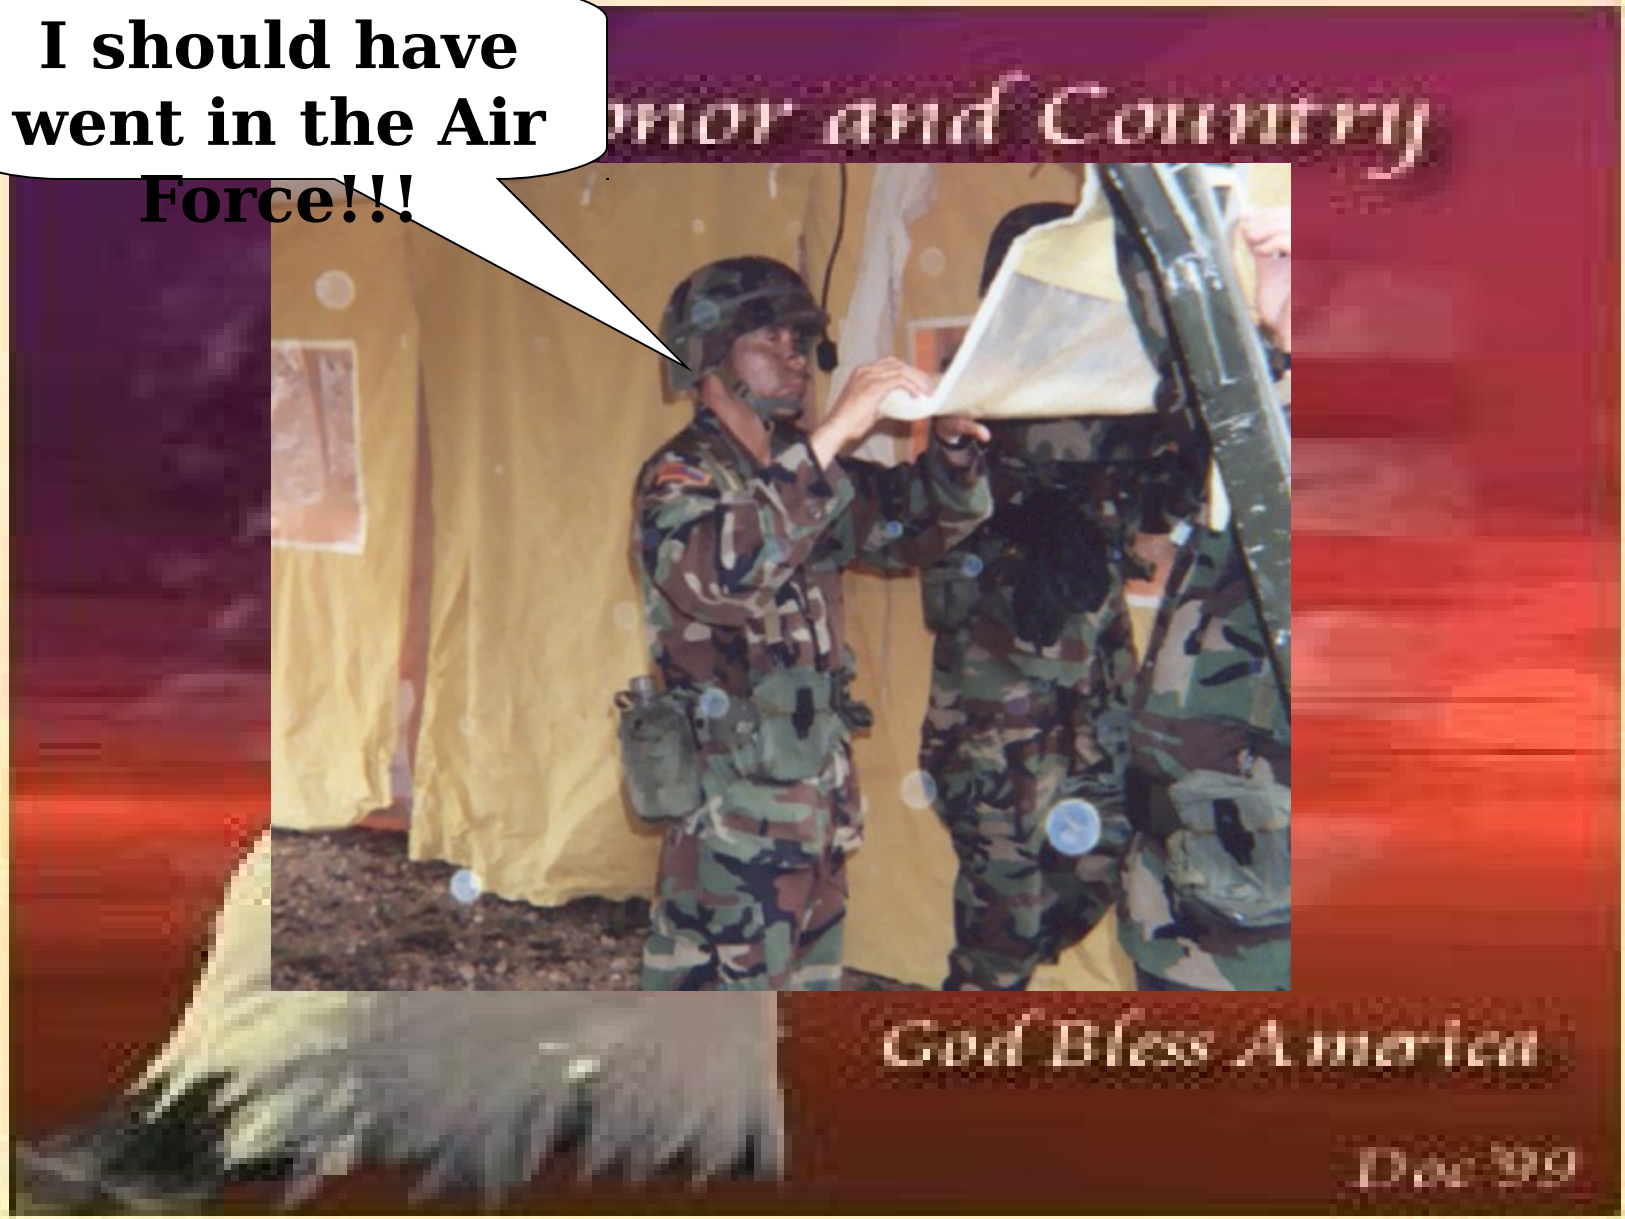
Duty, Honor and

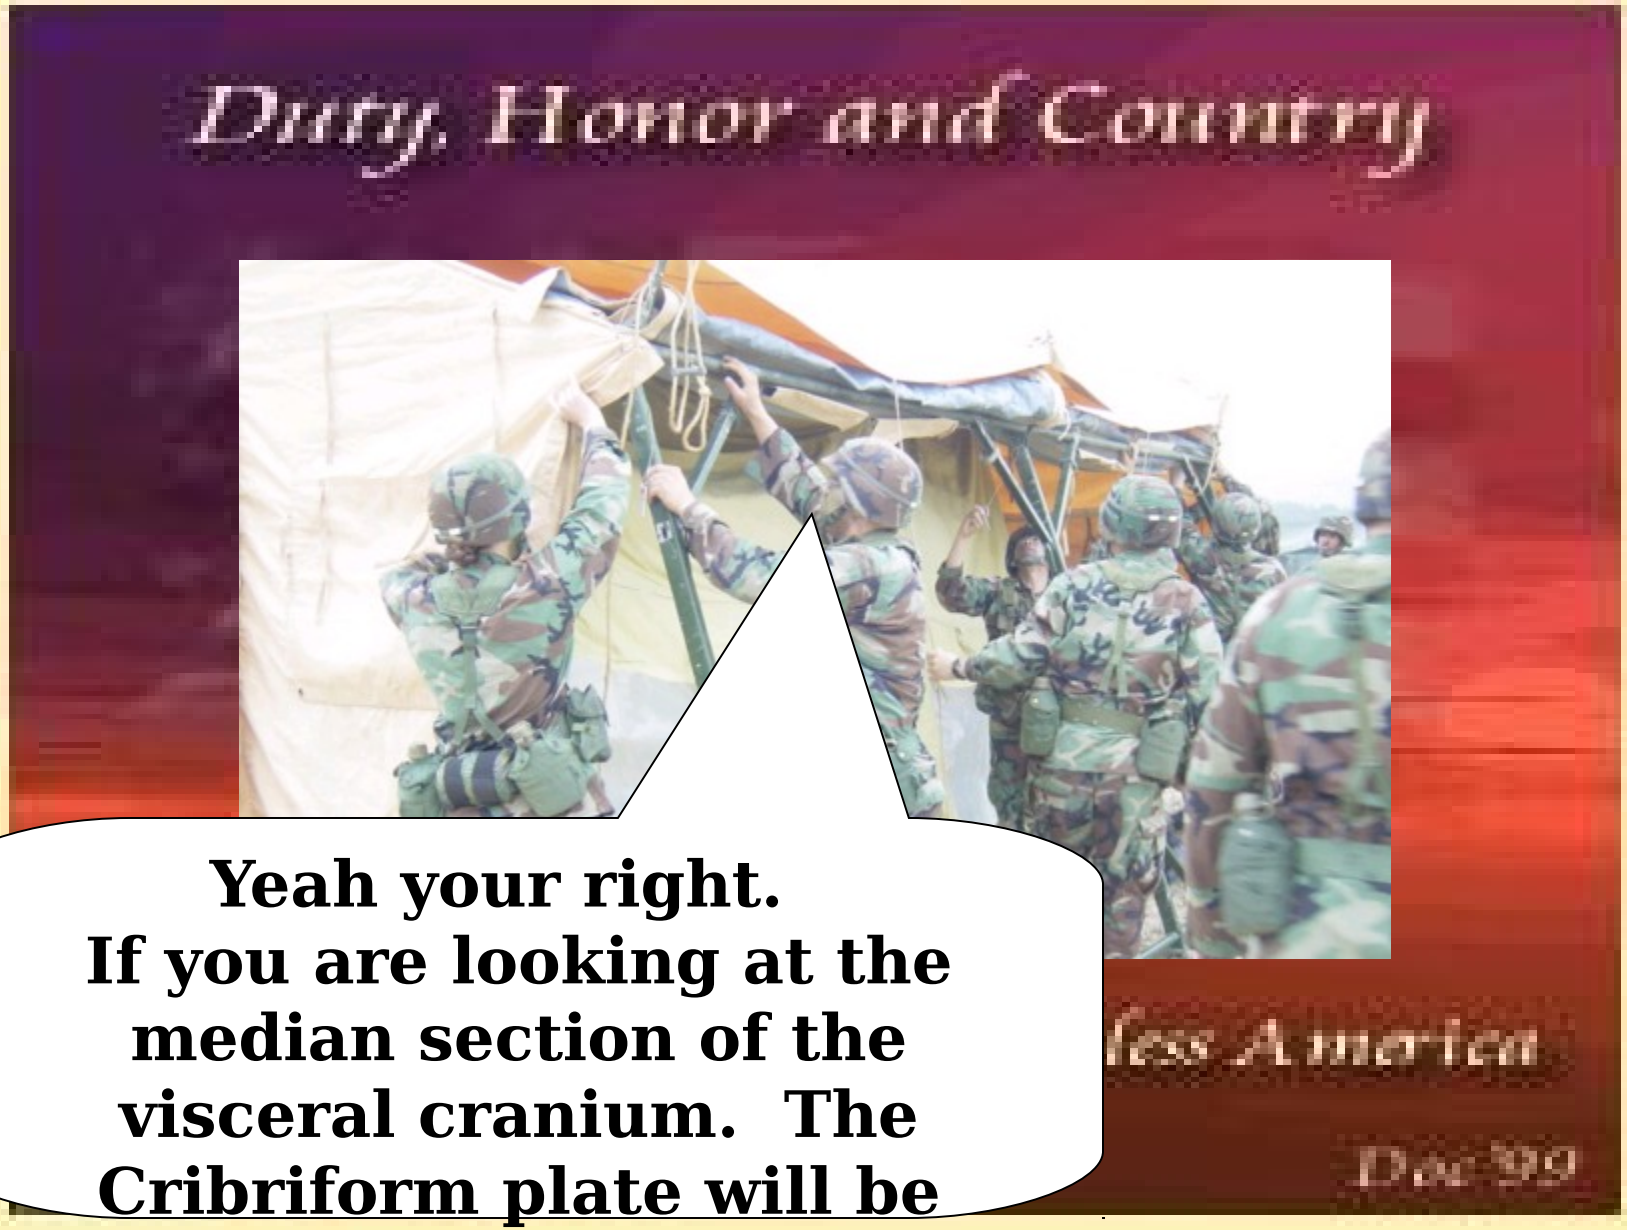
I like this supervising thing.
GET THAT TENT UP NOW!!!

God Bless America

Dec 99

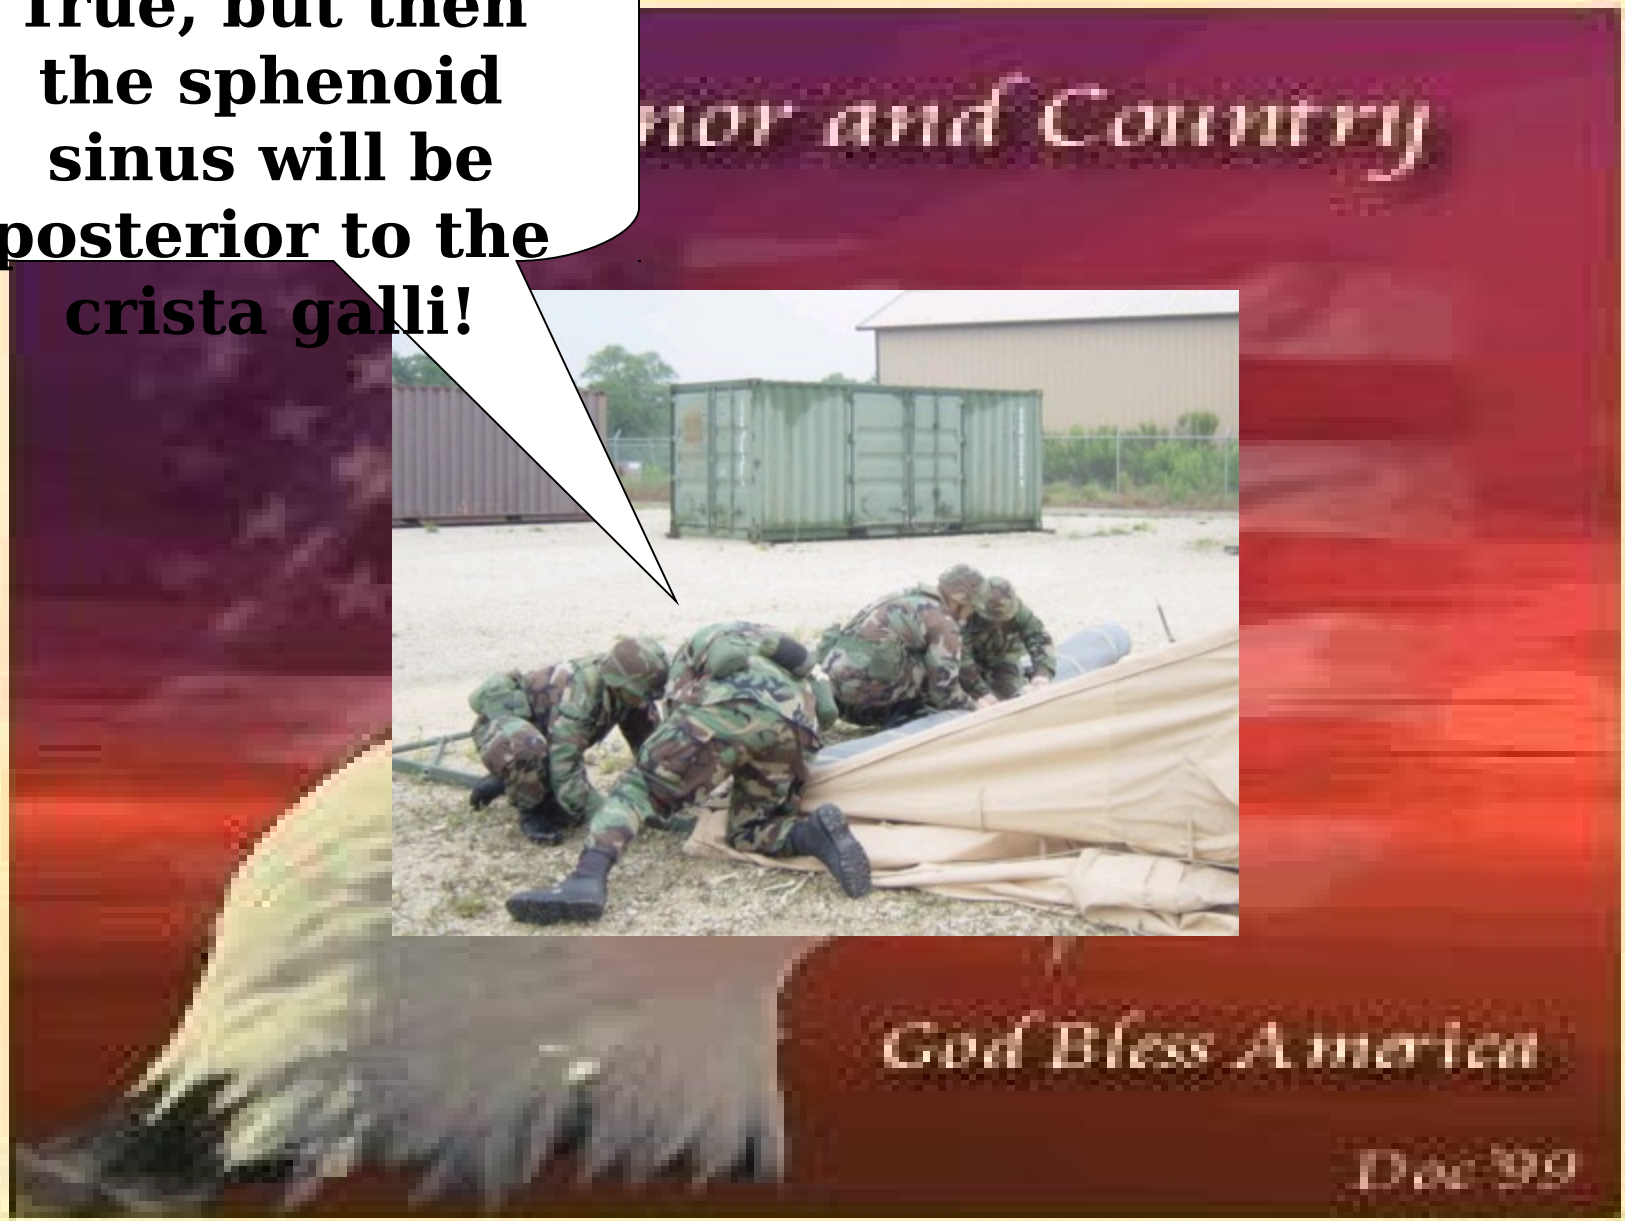
I should have went in the Air Force!!!





Yeah your right.
If you are looking at the median section of the visceral cranium. The Cribriform plate will be superior to the inferior

True, but then the sphenoid sinus will be posterior to the crista galli!



Duty, Honor
How many pictures can they take in one day? They must be working on some bullets for their NCOER's.
God Bless America
Dec 99

Duty, Honor
See that house over there. That's where SSG Lopez said he lives. I didn't know E-6's made that much.
